Wikipedia:Adminship survey admins so much as lack of efficiency and priorities. This survey seeks to find out if a substantial majority of editors believes that certain changes should be made to our procedure or precedent. Adminship just isn't organized to train and divert admins the things they are most needed to do. --BirgitteSB There are many opinions regarding adminship held by a variety of people, and a number of perennial discussions about adminship or the related procedures. This is in line with the belief that consensus may change over time. Several issues have been debated to death a number of times already, and there seem to exist good arguments on both sides of the issues
