Morris S. Novikov was born to a Jewish family in Nevel, then a part of the Pale of Settlement in the Russian Empire, on November 15, 1903. They immigrated to New York City's Lower East Side in 1913, and, as a teenager, became active in socialist politics. In 1918, he worked for anti-war activist Scott Nearing, who was opposing the Republican Fiorello La Guardia for Congress. In a 1989 interview with The New Yorker, Novik said that this was when he first saw the future mayor, for whom he would work 20 years later as station manager of WNYC. 280bdb6b43

Operation Dixie The CIO's defeat in Operation Dixie was a contributing factor in the decision of the traditionally Operation Dixie was the name of the post-World War II campaign by the Congress of Industrial Organizations to unionize industry in the Southern United States, particularly the textile industry. Launched in the spring of 1946, the campaign ran in 12 Southern states and was undertaken as part of a dual effort to consolidate wage gains won by the trade union movement in the Northern United States by raising wage levels in the South while simultaneously transforming the conservative politics of the region, thereby allowing the trade union agenda to win on a national scale. increasing hostility to the left in general and unions in particular 280bdb6b43

Section 2(a) of the Lanham Act, passed in 1946, holds that a trademark may be refused registration by the United States Patent and Trademark Office if the subject consists of "immoral, deceptive, or scandalous matter." Section 2(a) had also held that trademarks may be refused if they were deemed "disparaging" to individuals or groups, but the Supreme Court unanimously ruled in Matal v. Tam (2017) that the restriction on "disparaging" trademarks was unconstitutional under the First Amendment. 280bdb6b43 Operation Dixie failed largely due to Jim Crow laws and the deep-seated racial strife in the South which made it difficult for black workers and poor whites to engage cooperatively for successful union organization. The passage of the Taft-Hartley Act additionally undercut the campaign, making it easier for employers to obstruct union organizing drives by inhibiting the right to strike and allowing prohibition of closed shops. The Cold War Red Scare also hurt the union movement throughout the United States by increasing hostility to the left in general and unions in particular. 280bdb6b43

In most industrial nations, the labor movement sponsored its own political parties, with the US as a conspicuous exception. Both major American parties vied for union votes, with the Democratic Party usually much more successful. Labor unions became a central element of the New Deal coalition that dominated national politics from the 1930s into the mid-1960s during the Fifth Party System. Liberal Republicans who supported unions in the Northeast lost power after 1964. In recent decades, an enduring alliance was formed between labor unions and the Democrats, whereas the Republican Party has become hostile to unions and collective bargaining rights.
