Thus, they are among the most powerful and sought-after items in the Marvel Universe; playing important roles in several storylines, in which they were wielded by characters such as Thanos and Adam Warlock. The gems can grant whoever wields them various powers in accordance to the aspect of existence they represent, and have the potential of turning the wielder into a god-like being when the main six (Mind, Power, Reality, Soul, Space, and Time) are held together. Although the Infinity Gems altogether give their user omnipotence, the Gems only function in the universe they belong to and not in alternate realities 8596249d17

The Bakian Clan (a group of humans who survived the attacks of the Annihilation Wave) are shadowed by an unknown figure as they scrounge for food in the ruins of New Xandar, but their dog Zigzag is only able to find canned dog food for them to eat. Later that night, Menzin tells his younger daughter Fayne about how her mother left to reinforce the Nova Corps and will someday return. The elder daughter Anwen believes their mother to be dead as evidenced by the arrival of the Annihilation Wave. An argument between their father and the girls' maternal grandfather ensues which attracts the attention of the bugs forcing the Bakian Clan to flee for their lives. During the resulting chase, Anwen falls into a bug nest. The series' events are driven by Thanos, a nihilist character created for Marvel by Starlin in 1973. When Starlin began writing Silver Surfer in 1990, he and Lim began a new plot with Thanos that developed over sixteen monthly issues and a spin-off limited series before concluding in The Infinity Gauntlet. Pérez was brought in to draw The Infinity Gauntlet because he had more name recognition among fans and because Lim already had a full schedule. However, after completing three issues and part of the fourth, his own busy schedule and dissatisfaction with the story led to him being replaced by Lim. 8596249d17
