A multitude of recent attempts have been made to translate the Bible into English. Most modern translations published since c. 1900 are based on recently published critical editions of the original Hebrew and Greek texts. These translations typically rely on the Biblia Hebraica Stuttgartensia / Biblia Hebraica Quinta, counterparted by the Novum Testamentum Graece (and the Greek New Testament, published by the United Bible Societies, which contains the same text). Because various biblical canons are not identical, the "incomplete translations" section includes only translations seen by their translators as incomplete, such as Christian translations of the New Testament alone.
