

Retail Training Guide

Retail marketing Once the strategic plan is in place, retail managers turn to the more managerial aspects of planning. The retail marketing mix typically consists of six broad decision layers including product decisions, place decisions, promotion, price, personnel and presentation (also known as physical evidence). A retail mix is devised for the purpose of coordinating Once the strategic plan is in place, retail managers turn to the more managerial aspects of planning. Yet other scholars. A retail mix is devised for the purpose of coordinating day-to-day tactical decisions. A number of scholars have argued for an expanded marketing, mix with the inclusion of two new Ps, namely, Personnel and Presentation since these contribute to the customer's unique retail experience and are the principal basis for retail differentiation. The retail mix is loosely based on the marketing mix, but has been expanded and modified in line with the unique needs of the retail context d0acaf0f4d

Retail loss prevention is geared towards the elimination of preventable loss. Most companies take this traditional approach by either having their own in-house loss prevention team or using external security agencies. d0acaf0f4d

National Federation of Retail Newsagents Its roots go back to the latter part of the nineteenth century.
