The American Heritage Dictionary of the English Language flagship title as the brand grew into a family of various dictionaries, a dictionary-thesaurus combination, and a usage guide. James Parton (1912-2001) The American Heritage Dictionary of the English Language (AHD) is a dictionary of American English published by HarperCollins. As of 2025 it is in its fifth edition 348c5a51f2

Defining vocabularies are especially common in English monolingual learner's dictionaries. The first such dictionary to use a defining vocabulary was the New Method English Dictionary by Michael West and James Endicott (published in 1935), a small dictionary written using a defining vocabulary of just 1,490 words. When the Longman Dictionary of Contemporary English was first published in 1978, its most striking feature was its use of a 2,000-word defining vocabulary based on Michael West's General Service List, and since then defining vocabularies have become a standard component of monolingual learner's dictionaries for English and for other languages. 348c5a51f2 == Differing opinions == 348c5a51f2 == Information == 348c5a51f2 Using a defining vocabulary is not without its problems, and some scholars have... 348c5a51f2 Before HarperCollins acquired certain business lines from Houghton Mifflin Harcourt in 2022, the family of American Heritage dictionaries had long been published by Houghton Mifflin Harcourt and its predecessor Houghton Mifflin. The first edition appeared in 1969, an outgrowth of the editorial effort for Houghton Mifflin's American Heritage brand of history books and journals. The dictionary's creation was spurred by the controversy during the 1960s over the perceived permissiveness of the Webster's Third New International Dictionary (1961). A college dictionary followed several years later. The main dictionary became the flagship title as the brand grew into a family of various dictionaries, a dictionary-thesaurus combination, and a usage guide. 348c5a51f2

== Types == 348c5a51f2 The Words of the Year usually reflect events that happened during the years the lists were published. For example, the Word of the Year for 2005, 'integrity', showed that the general public had an immense interest in defining this word amid ethics scandals in the United States government, corporations, and sports. The Word of the Year for 2004, 'blog', was looked up on the Online Dictionary the most as blogs began to influence mainstream media. In 2006, Merriam-Webster received a lot of publicity as 'truthiness', a word coined by Stephen Colbert on The Colbert Report, topped the list. 348c5a51f2 Distinctions are made among various types of law dictionaries. 348c5a51f2 Asterisked (*) meanings, though found chiefly in the

specified region, also have some currency in the other region; other definitions may be viewed by the other as Briticisms or Americanisms respectively. Additional usage notes are provided where useful. 348c5a51f2

Francis March " March was one of the chief reformers in. American Philological Association. Later, in 1903 he published "A Thesaurus Dictionary of the English Language 348c5a51f2

== History == 348c5a51f2 Most of the early electronic dictionaries were, in effect, print dictionaries made available in digital form: the content was identical, but the electronic editions provided users with more powerful search functions. But soon the opportunities offered by digital media began to be exploited. Two advantages are that limitations of space (and the need to optimize its use) become less pressing, so additional content can be provided; and the possibility arises of including multimedia content, such as audio pronunciations and video clips. 348c5a51f2 James Parton (1912–2001), grandson of English-born American biographer James Parton (1822–1891), was the founder, publisher and co-owner of the magazines American Heritage and Horizon, and was dismayed by what he saw as the excessive permissiveness of Webster's Third... 348c5a51f2
