Tests vary in style, rigor and requirements. There is no general consensus or invariable standard for test formats and difficulty.

Often, the format and difficulty of the test is dependent upon the educational philosophy of the instructor, subject matter, class size, policy of the educational institution, and requirements of accreditation or governing bodies. Each GCSE qualification is offered as a specific school subject, with the most commonly awarded ones being English literature, English language, mathematics, science (combined & separate), history, geography, art, design and technology (D&T), business studies, economics, music, and modern foreign languages (e.g., Spanish, French, German) (MFL).
