Manifest destiny government. The belief is rooted in American exceptionalism, romantic nationalism, and white nationalism, implying the inevitable spread of republicanism and the American way. The last sovereign of Manu'a, the Tui Manu'a Elisala, signed a Deed of Cession of Manu'a following Manifest destiny was the imperialist belief in the 19th-century United States that American settlers were destined to expand westward across North America, and that this belief was both obvious ("manifest") and certain ("destiny"). S. Cession of Manu'a in 1904 on behalf of the U. It is one of the earliest expressions of American imperialism 6db5fa436d

Territorial evolution of the United States In the Lee Resolution, passed by the Second Continental Congress two days prior, the colonies resolved that they were free and independent states. Mexico Territorial evolution of North Dakota Territorial evolution of Oregon Territorial evolution of South Dakota Territorial evolution of Utah Territorial The United States of America was formed after thirteen British colonies in North America declared independence from the British Empire on July 4, 1776. This effectively doubled the size of the colonies, now able to stretch west past the Proclamation Line to the Mississippi River. Their independence was recognized by Great Britain in the Treaty of Paris of 1783, which concluded the American Revolutionary War. The union was formalized in the Articles of Confederation, which came into force on March 1, 1781, after being ratified by all 13 states. This land was organized into territories and then states, though there remained some conflict with the sea 6db5fa436d

The assertion of its mission to redeem the world by the spread of republican government and more generally the "American way of life". 6db5fa436d According to historian William Earl Weeks, there were three basic tenets behind the concept: 6db5fa436d The faith in the nation's divinely ordained destiny... 6db5fa436d
