"Christian Death | Biography Gothic rock (also known as goth rock or simply goth) is a subgenre of rock music which grew out of British post-punk in the late 1970s. The style evolved through early post-punk bands such as Siouxsie and the Banshees, Joy Division, Bauhaus, and the Cure, who shifted their music toward darker gothic overtones through an emphasis on minor chords, reverb, dark arrangements, and melancholic melodies. The genre draws from gothic literature, nihilism, dark romanticism, poetry and tragedy d2e8b46c2a
