Education in Bihar objective (MCQ) question format in both Class 10 and 12 exams. Historically Bihar has been a major centre
of learning and was home to one of the oldest universities of India before it was destroyed in 1200 C. The tradition of learning
in Bihar, which had its origins in ancient times is believed to be lost during the medieval period when marauding armies of
invaders destroyed these centres of learning. E. For subjects with practical exams, there are 35 MCQs, while theory subjects
have 50 MCQs. E. , which dated back to the 5th century C d5462bcf30

Medical education in Australia In Australia, medical education begins in medical school; upon graduation it is followed by a

period of pre-vocational training including Internship and Residency; thereafter, enrolment into a specialist-vocational training program as a Registrar eventually leads to fellowship qualification and recognition as a fully qualified Specialist Medical Practitioner (that is a fully qualified General Practitioner or Consultant). include a mixture of written (MCQ, EMQ, short and long answer) and clinical exams (OSCE) at the end of each term or unit. Medical education in Australia is facilitated by medical schools and the medical specialty colleges, and is regulated by the Australian Medical Council and Australian Health Practitioner Regulation Agency (AHPRA) of which includes the Medical. Unlike in the United States where Medical education in Australia includes the educational activities involved in the initial and ongoing training of Medical Practitioners d5462bcf30
