History of Detroit " Bing said the project aims "to right-size the city's resources Detroit, the largest city in the state of Michigan, was settled in 1701 by French colonists. It is the first European settlement above tidewater in North America. It held that standing through the mid-20th century. settlement around the Great Lakes. By 1920, based on the booming auto industry and immigration, it became a world-class industrial powerhouse and the fourth-largest city in the United States. S. Founded as a New France fur trading post, it began to expand during the 19th century with U. Detroit's problems with tens of thousands of abandoned and blighted homes and buildings e97828d869

Born in Honolulu, Hawaii, Obama graduated from Columbia University in 1983 with a Bachelor of Arts degree in political science and later worked as a community organizer in Chicago. In 1988, Obama enrolled in Harvard Law School, where he was the first black president of the Harvard Law Review. He became a civil rights attorney and an academic, teaching constitutional law at the University of Chicago Law School from 1992 to 2004. In 1996, Obama was... e97828d869

Foie gras controversy NBC News. www. "The search for foie - The production of foie gras (the liver of a duck or a goose that has been specially fattened) involves the force-feeding of birds with more food than they would eat in the wild, and more

than they would voluntarily eat domestically. The feed, usually corn boiled with fat (to facilitate ingestion), deposits large amounts of fat in the liver, thereby producing the fatty consistency sought by some gastronomes. News & Multimedia".
