

Dork Diary

The series follows the adventures and awkward incidents of Jamie Kelly at Mackerel Middle School with her friends Isabella and Angeline. Her family life and school life are heavily intertwined, with her Aunt Carol joining the school staff and marrying the assistant principal, thus making most of the school staff family friends.

The series, written in a diary format, uses drawings, doodles, and comic strips to chronicle the daily life of its 14-year-old protagonist, Nikki Maxwell.

As of December 2024, more than 55 million copies of the Dork Diaries books have been sold. The books have been published in 52 countries with translations into 45 different languages.

The earliest archaeological evidence of human activity is from the Mesolithic and Neolithic periods, and there are several Bronze Age bowl barrows in the local area. The town may have been the site of a staging post on Stane Street during Roman times, however the name 'Dorking' suggests an Anglo-Saxon origin for the modern settlement.
