Originally conceived as a parody of the DC Comics villain Deathstroke, Deadpool was further shaped by Liefeld's admiration for Spider-Man and Wolverine, characters he sought to evoke with his own creations. In addition to his healing factor, Deadpool is a master assassin, an expert swordsman and marksman, and is fluent in multiple languages. eb03f981d2 Deadpool (Wade Wilson) is a talkative mercenary for hire known as the "Merc with a Mouth". Like Wolverine, he is a subject of the Weapon X experiment for which he volunteered in the hopes of finding a cure for his cancer. Although he received an enhanced body from the project, the cancer was not cured, he went insane, and his... eb03f981d2 The character... eb03f981d2 == Publication history == eb03f981d2
