Under Greenwich President Albert Cuadrante the business was transitioning from a quick-service restaurant to a fast casual diner as of 2017. In 1994, Jollibee Group acquired 80% of Greenwich shares. Then, in 2006, Jollibee bought out the remaining shares of its partners in Greenwich for ₱384 million, giving rise to a new company known as the Greenwich Pizza Corporation. The franchise experienced rapid expansion from the original 50 stores in 1994 to over 240 stores with an annual revenue of over ₱4 billion in 2005. Expanding further through 2011, the corporation had opened over 330 stores. Sal's Pizza first opened in Salem, New Hampshire, founded by Sal and Nick Lupoli in 1990. The first store opened at a time when Italian-based restaurant chains began to popularize. The store spawned franchises, and eventually grew to operate stores throughout the Boston and southern New Hampshire regions.

List of Italian foods and drinks Significant changes occurred with the discovery of the New World and the introduction of potatoes, tomatoes, bell peppers and maize, now central to the cuisine, but not introduced in quantity until the 18th century. Italian cuisine has its origins in Etruscan, ancient Greek and ancient Roman cuisines. Cheese, cold cuts and wine are central to Italian cuisine, and along with pizza and coffee (especially Italian cuisine has developed through centuries of social and political changes, with roots as far back as the 4th century BC. cuisine, rich in pasta, fish, fruits and vegetables

Pasta was originally only made with durum, although the definition has been expanded to include alternatives for a gluten-free diet, such as rice flour, or legumes such as beans or lentils. Pasta is believed to have developed independently in Italy and is a staple food of Italian cuisine, with evidence of Etruscans making pasta as early as 400 BCE in Italy. Pastas are divided into two broad categories: dried (Italian: pasta secca) and fresh (Italian: pasta fresca). Most dried pasta is produced commercially via an extrusion process, although it can be produced at home. Fresh pasta is traditionally produced by hand, sometimes with the aid of simple machines. Fresh pastas available in grocery stores are produced... Dishes originating from Neapolitan cuisine, particularly pasta and pizza, are among the best known foods in Italian cuisine worldwide, disseminated via migration. Citing this influence, food writer Waverley Root wrote in the late 60s that "what the world knows as "Italian" cooking originated in [Naples]." Over the following centuries, the cuisine developed as different cultures controlled Naples and its kingdoms, such as those of Aragon and France d27e9ae3d0

Because Naples was the capital of the Kingdom of Naples, its cuisine drew substantially from the cuisine of the entire Campania region, leading to the cuisine including both dishes based on rural ingredients (pasta, vegetables, cheese) and seafood (fish, crustaceans, mollusks). Many recipes are influenced by the local aristocratic cuisine, such as timballo and the sartù di riso, pasta or rice dishes with elaborate preparation, and dishes from popular traditions prepared with inexpensive but nutritious ingredients, such as pasta e fagioli (pasta and beans) and other pasta dishes with vegetables. d27e9ae3d0 The company offers franchising, and they are known for offering a three-pound, 19-inch pizza. d27e9ae3d0 It has been claimed the pizza marinara was introduced around the year 1735 (in 1734 according to European Commission regulation 97/2010), and was prepared using olive oil, cherry tomatoes, basil, oregano, and garlic at that time, and that historically it was known to be ordered commonly by poor sailors, and

made on their ships due to it being made from easily preservable ingredients. The historical account of the pizza marinara's creation and its association with sailors rests predominantly on oral and traditional retellings rather than documented, empirical evidence. Italian cuisine includes deeply rooted traditions common to the whole country, as well as all the regional gastronomies, different from each other, especially between the north, the centre, and the south of Italy, which are in continuous exchange. Many dishes that were once regional have proliferated with variations throughout the country. Italian cuisine offers an abundance of taste, and is one of the most popular and copied around the world. The most popular dishes and recipes, over the centuries, have often been created by ordinary people more so than by chefs, which is why many Italian recipes are suitable for home and daily cooking, respecting regional specificities.
