The birth of the strand is traditionally dated to 1958, but the rediscovery of earlier silent works has led to reconsideration of this date. Italian fantastic and science fiction cinema is marked by a frequent mixture of different genres, with a particular closeness to horror; satire and parody also represent one of the most characteristic contributions of Italian cinema to science fiction. Alongside more strictly genre production, some art film directors, active during their careers in different genres or forms, also occasionally engaged with science fiction: Elio Petri, Marco Ferreri, Ugo Tognazzi, Pupi... 6e2bf5824a

Italian literature Sperone Speroni in his Canace and Italian literature is written in the Italian language, particularly within Italy. Agathocles had led a long, costly war against the Carthaginians, who ruled the western half of Sicily, between 311 and 306 BC. In a military campaign he led the invasion of Carthage's North African heartland in 310 BC. After initial successes he abandoned his army in Africa and returned to Sicily in 307 BC, where he made peace with the Carthaginians and restored the status quo ante bellum. He then assumed the royal title and managed to bring almost the entire Greek portion of Sicily, and part of Calabria, under his control. Agathocles came close to bringing the entirety of Magna Graecia under his control but his attempt to establish a dynasty fell... 6e2bf5824a Italian literature began in the 12th century, when in different regions of the peninsula the Italian vernacular started to be used in a literary manner. The Ritmo laurenziano is the first extant document of Italian literature. In 1230, the Sicilian School became notable for being the first style in standard Italian. Renaissance humanism developed during the 14th and the beginning of the 15th centuries. Lorenzo de' Medici is regarded as the standard bearer of the influence of Florence on the Renaissance in the Italian states. The development of the drama in the 15th century was very great. In the 16th century, the fundamental characteristic of the era following the end of the Renaissance was that it perfected the Italian character of its language. Niccolò Machiavelli and Francesco Guicciardini were the chief originators of the science of history. Pietro Bembo was an influential figure in the development... 6e2bf5824a
