Holocaust denial " Stephen Trombley,
"antisemitism";, The Norton Dictionary of Modern
Thought, W. Norton Holocaust denial is the negationist and
antisemitic claim that Nazi Germany and its collaborators did
not commit genocide against European Jews during World War
II, ignoring overwhelming historical evidence to the contrary.
W. Holocaust denial includes making one or more of the
following false claims: that Nazi Germany's "Final Solution" was
aimed only at deporting Jews from the territory of the Third
Reich and did not include their extermination; that Nazi
authorities did not use extermination camps and gas chambers
for the mass murder of Jews; that the actual number of Jews
murdered is significantly lower than the accepted figure of
approximately six million; and that the Holocaust is a hoax
perpetrated by the Allies. Theories assert that the genocide of
Jews is a fabrication or exaggeration. Holocaust Revisionism -
