O-Level Both Pearson Edexcel and CAIE offer International GCSE qualifications. O-Level The O-Level (Ordinary Level) is a subject-based qualification awarded as part of the General Certificate of Education. (CAIE) and Pearson Edexcel , both under the board of the British Council. It originated in the United Kingdom and has been adopted, often with modifications, by several other countries

The Department for Education prescribes... Students generally study for A-levels over a two-year period. For much of their history, A-levels have been examined by written exams taken at the end of these two years. A more modular approach to examination became common in many subjects starting in the late 1980s, and standard for September 2000 and later cohorts, with students taking their subjects to the half-credit "AS" level after one year and proceeding to full A-level the next year (sometimes in fewer subjects). In 2015, Ofqual decided to... Each GCSE qualification is offered as a specific school subject, with the most commonly awarded ones being English literature, English language, mathematics, science (combined & separate), history, geography, art, design and technology (D&T), business studies, economics, music, and modern foreign

languages (e.g., Spanish, French, German) (MFL). The National Extension College was founded by Brian Jackson and Michael Young, Lord Young of Dartington, a British sociologist, social activist, and politician.
