In the United States, one study has shown the passage of laws that are said to be discriminatory against LGBTQ people may have significant negative impacts on the physical and mental health of LGBTQ youth. For example, depression and drug use among LGBTQ people have been shown to increase significantly after the passage of laws which are considered discriminatory. By contrast, the passage of laws that recognize LGBTQ people as equal with regard to civil rights, such as laws supporting same-sex marriage, may have significant positive impacts on the physical and mental health and well-being of LGBTQ... 7989fa51a9
