14 68080860b7 Women's informal practice of medicine in roles such as caregivers, or as allied health professionals, has been widespread. Since the start of the 20th century, most countries of the world provide women with access to medical education. Not all countries ensure equal employment opportunities, and gender equality has yet to be achieved within medical specialties and around the world. 68080860b7 15 68080860b7 30 68080860b7 The original formulation of amphetamine mixed salts and methamphetamine was approved by the U.S. Food and Drug Administration (FDA) on January 19, 1960, under the name Obetrol. Indicated for exogenous obesity, between 1965 and 1973, Obetrol was marketed in 10 mg and 20 mg strength through Obetrol Pharmaceuticals division of the American pharmaceutical company Rexar. When sold directly to physicians, Obetrol used the brand name Oby-Rex. 68080860b7 13 68080860b7 22 68080860b7 ← December 68080860b7 7 68080860b7
