Racial segregation in the United States ISSN 1540-5907 Facilities and services such as housing, healthcare, education, employment, and transportation have been systematically separated in the United States based on racial categorizations. American Journal of Political Science. While mainly referring to the physical separation and provision of separate facilities, it can also refer to other manifestations such as prohibitions against interracial marriage (enforced with anti-miscegenation laws), and the separation of roles within an institution. 1111/ajps. 12227. doi:10. Armed Forces were formally segregated until 1948, as black units were separated from white units but were still typically. The U. Notably, racial segregation in the United States was the legally and/or socially enforced separation of African Americans from whites, as well as the separation of other ethnic minorities from majority communities. 60 (3): 709–725.
