This article has been here for

months with an absolutely ridiculous biography section which I just removed. No sources except to primary sources. No notability has been claimed nor provided. The rest of the biography is self serving promotional material. However, there is a claim to having a charted single with "Imma Zoe" hitting #8 on the US R&B Billboard chart which I've not been able to source. Aside from that, there was some minor coverage in the Miami Herald. For me, this reads as up and coming, rather than arrived. No prejudice against recreation. -- Whpq (talk) 12:24, 2 July 2010 (UTC)reply e4fa25c716 archive e4fa25c716 Page e4fa25c716 Purge server cache e4fa25c716 The following discussion is an archived debate of the proposed deletion of the article below.
