In 1855 Gustave Courbet wrote a Realist manifesto...

Neukölln (locality) With 162,548 inhabitants (2025) the quarter has the second-largest population of Berlin after Prenzlauer Berg. In modern times, it was originally shaped by the working class and gastarbeiters, but western immigration since the turn of the millennium has led to gentrification and a rejuvenation of the quarter's culture and nightlife. Neukölln is on the North European Neukölln (German: [nɔʏ'kœln] ; officially abbreviated Neukö), formerly Rixdorf (German: [r'iksdɔrf]), from 1899 to 1920 an independent city, is a large inner-city quarter of Berlin in the homonymous borough of Neukölln, and evolved around the historic village of Rixdorf. immigration since the turn of the millennium has led to gentrification and a rejuvenation of the quarter's culture and nightlife. Since the early 13th century, the local settlements, villages and cities down to the present day have always been a popular destination for colonists and immigrants

Road surface In the past, gravel road surfaces, macadam, hoggin, cobblestone and granite setts were extensively used, but these have mostly been replaced by asphalt or concrete laid on a compacted base course. Metalled roadways are made to sustain vehicular load and so are usually made on frequently used roads. Unmetalled roads, also known as gravel roads or dirt roads, are rough and can sustain less weight. He wrote a memorandum on his method in 1775, which A road surface (British English) or pavement (North American English) is the durable surface material laid down on an area intended to sustain vehicular or foot traffic, such as a road or walkway. Asphalt mixtures have been used in pavement construction since the beginning of the 20th century and are of two types: metalled (hard-surfaced) and unmetalled roads. with establishing the first scientific approach to road building in France at the same time as Metcalf. Road surfaces are frequently marked to

Vaginoplasty It is a type of genitoplasty. It may correct protrusion of the urinary bladder into the vagina (cystocele) and protrusion of the

rectum (rectocele) into the vagina. Pelvic organ prolapse is often treated with one or more surgeries to repair the vagina. Often, a vaginoplasty is performed to repair the vagina and its attached structures due to trauma or injury. Surgery to the vagina is done to correct congenital defects to the vagina, urethra and rectum. a policy statement against elective vaginoplasty based upon the risks associated with unnecessary cosmetic surgery in 2013. Sometimes a vaginoplasty is needed following the treatment or removal of malignant growths or abscesses to restore a normal vaginal structure and function. Vaginal rejuvenation is a Vaginoplasty is any surgical procedure that results in the construction or reconstruction of the vagina

Congenital disorders such as adrenal hyperplasia can affect the structure and function... The Decadent movement first flourished in France and then spread throughout Europe and to the United States. The movement was characterized by a belief in the superiority of human fantasy and aesthetic hedonism over logic and the natural world.

Martin Felsen Felsen was awarded the 2009 Latrobe Prize by the American Institute of Architects, College of Fellows. Felsen's projects range in scale from houses such as the Hennepin, Illinois Residence, mixed-use residential and commercial buildings such as Upton's Naturals Headquarters, public open spaces such as the Smart Museum of Art Courtyard at the University of Chicago, and large scale, urban design projects such as Growing Water in Chicago and a masterplan (13 square kilometers / 5 square miles) for the Yangming Lake region of Changde, China. David Salomon (May 26, 2016). Retrieved April 1, 2018. He directs UrbanLab, a Chicago-based architecture and urban design firm. Journal of Landscape Architecture Martin Felsen (born 1968) is an American architect and Fellow of the American Institute of Architects (FAIA). "Towards a new infrastructure: aesthetic thinking, synthetic sensibilities"
