

Spies A Star Book

The television series takes its name from its source, *The Spies of Warsaw*, a 2008 spy novel by Alan Furst. The book was adapted for television in 2013 as a co-production of TVP1, BBC Four, BBC America, and ARTE and premiered in January in the United Kingdom and in April in the United States. It starred David Tennant as the protagonist Colonel Jean-François Mercier and Janet Montgomery as his love interest Anna Skarbek. As in other Alan Furst novels, the fictional Parisian restaurant Brasserie Heininger serves as one of the settings for dialogue.

Spy fiction It emerged in the early twentieth century, inspired by rivalries and intrigues between the major powers, and the establishment of modern intelligence agencies. As a genre, spy fiction is thematically related to the novel of adventure (*The Prisoner of Zenda*, 1894, *The Scarlet Pimpernel*, 1905), the thriller (such as the works of Edgar Wallace) and the politico-military thriller (*The Schirmer Inheritance*, 1953, *The Quiet American*, 1955). Novels and films with a counterespionage Spy fiction is a genre of literature involving espionage as an important context or plot device. for spies; alongside this campaign went a mania for spy stories, which likewise warned people to be vigilant against spies. It was given new impetus by the development of communism and fascism in the lead-up to World War II, continued to develop during the Cold War, and received a fresh impetus from the emergence of rogue states, international criminal organizations, global terrorist networks, maritime piracy and technological sabotage and espionage as potent threats to Western societies
