Originally planned as a Plymouth model, the PT Cruiser was ultimately marketed as a Chrysler when Plymouth was discontinued. Intended to invoke 1930s aesthetics, the exterior of the PT Cruiser was designed by Bryan Nesbitt. The model received an intermediate facelift for the 2006 model year. Interior packaging was noted for its high roof, high h-point seating, and flexible cargo and passenger configurations enabled by a multi-level rear cargo shelf and rear seats a user could fold, tumble, or remove. 41d0d54537
