Literature in English from the former British West Indies may be referred to as Anglo-Caribbean or, in historical contexts, as West Indian literature. Note that other non-independent islands may include the Caribbean unincorporated territories of the United States, however literature from this region has not yet been studied as a separate category and is independent from West Indian literature. They share, apart from the English language, a number of political, cultural, and social ties which make it useful to consider their literary output in a single category. Most of these territories have become independent nations since the 1960s, though some retain colonial ties to the United Kingdom.
