There are eight official verses of The Book of Mozilla which have been included in shipping releases, although various unofficial verses can be found on the Internet. All eight official verses have scriptural chapter and verse references, although these are actually references to important dates in the history of Netscape and Mozilla. 448a39b328 The game is set in the world of Marl, a setting influenced by dark fantasy, urban fantasy, and pulp fiction influenced by writings of H.P. Lovecraft, Robert E. Howard, and Edgar Rice Burroughs and the roman noir of Dashiell Hammett and Raymond Chandler. It has an early 20th century industrial age base in which the technology is blended with magic. 448a39b328 Marvel Comics announced the storyline in June 2010, with editor Jordan White saying that the Chaos King, "the living embodiment of the void before time and space began, has decided he liked things better before everything was" and is "on a mission to wipe out all of existence [by using] an army of alien space gods...." The primary opposition is the Greek god superhero Hercules leading the God Squad, an informal alliance of heroic characters. The Chaos King is in actuality Amatsu-Mikaboshi, a... 448a39b328

Because the Core Setting of 3rd Edition is based on the World of Greyhawk, the Greyhawk gods list contains many of the deities listed here, and many more. Religion is a key element of the D&D game, since it is required to support both the cleric class and the behavioral aspects of the ethical alignment system - 'role playing', one of three fundamentals. Dungeons and Dragons may be useful in teaching classical mythology 448a39b328

Marl is controlled by three factions: Order, Chaos, and the Oathbreakers. Order and Chaos are like their equivalents in Michael Moorcock's Eternal Champion cycle. Order represents stability and obedience while Chaos is randomness and freedom. Neither side should get complete control, because it would mean the end of reality into total stasis or formless entropy. The conflict between them, which is played out between their followers across infinite worlds and realities, is called the GodWar. Marl last fought in the GodWar 900 years ago during their... 448a39b328 There is no real book titled The Book of Mozilla. However, apparent quotations hidden in Netscape and Mozilla software give this impression by revealing passages in the style of apocalyptic literature, such as the Book of Revelation in the Bible. During the original airings, each episode would be followed by a half-hour rerun from one of the previous six years. Meanwhile, the second season from 1981-1982 was a shorter season due to a writers' strike. 448a39b328 The plot concerns a group of mythological gods and others assembled by the Greek god superhero Hercules to battle the Chaos King, the embodiment of the chaos and nothingness that preceded creation, who wants to wipe out all existence. 448a39b328 The language of the Book of Job, combining post-Babylonian Hebrew and Aramaic influences, indicates it was composed during the Persian period (540-330 BCE), with the poet using Hebrew in a learned, literary manner. It addresses the problem of evil, providing a theodicy through the experiences of the eponymous protagonist. It is structured with a prose prologue and epilogue framing poetic dialogues and monologues, including three cycles of debates between Job and his friends, Job's lamentations, the Poem to Wisdom, Elihu's speeches, and God's two
