

Textile And Clothing Value Chain Roadmap Itc

Ethiopia has one of the fastest-growing economies in the world and is Africa's second most populous country. Many properties owned by the government during the previous regime have now been privatized or are in the process of privatization and the liberalization of its financial sector in the near future. However, certain sectors such as telecommunications, financial and insurance services, air and land transportation services, and retail, are considered to be... 44fc63a0fa
