Pediatric massage is the complementary and alternative treatment that uses massage therapy, or "the manual manipulation of soft tissue intended to promote Pediatric massage is the complementary and alternative treatment that uses massage therapy, or "the manual manipulation of soft tissue intended to promote health and well-being" for children and adolescents. Its goal is to reduce pain, anxiety, loneliness and fear when children are hospitalized or diagnosed with a debilitating medical condition 55ac361a85

There are a number of massage schools and programs that teach medical massage as a technique. Though medical massage is any massage treatment used to treat specific medical conditions, there is no one technique that is medical massage (literary review). Medical massage is taking whatever style of massage the practitioner knows and applying that technique to specific conditions to bring about specific outcomes. 55ac361a85

Vibrator (sex toy) A vibrator, sometimes described as a massager, is a sex toy that is used on the body to produce pleasurable sexual stimulation. Vibrators can be used for both solo play and partnered play by one or more people. Most modern vibrators contain an electric-powered device which pulsates or throbs. Vibrators may be recommended by sex therapists for women who have difficulty reaching orgasm through masturbation or intercourse. There are many different A vibrator,

sometimes described as a massager, is a sex toy that is used on the body to produce pleasurable sexual stimulation. They can be applied to erogenous zones, such as the vulva, vagina, penis, scrotum, anus, or rectum for sexual stimulation, for the release of sexual frustration and to achieve orgasm. Devices exist to be used by couples to stimulate the genitals of both partners. There are many different shapes and models of vibrators 55ac361a85

Tantric massage Interpretations of tantric massage vary: some view it primarily as a form of erotic massage, while others approach it as a meditative or spiritual practice, which may not necessarily be pleasurable and can involve deep emotional or energetic processes. Interpretations Tantric massage, is a form of bodywork that may incorporate principles derived from Tantra, a spiritual tradition with roots in ancient India. While tantric massage may include focused attention on erogenous or intimate areas of the body, its broader purpose is often described as the cultivation of awareness, connection, energetic flow and energetic system charge. Tantric massage, is a form of bodywork that may incorporate principles derived from Tantra, a spiritual tradition with roots in ancient India 55ac361a85
