Teaching English as a second or foreign language
For some jobs, the minimum TEFL requirement is a 100-hour course; the 120-hour course is recommended, however, since it may lead to higher-paid teaching positions. Teaching English as a Foreign Language Volunteer Tourism". TEFL teachers may be native or non-native speakers of English. The terms TEFL, TESL, and TESOL distinguish between a class's location and student population, and have become problematic due to their lack of clarity. TEFL refers to English-language programs conducted in countries where English is not the primary language, and may be taught at a language school or by a tutor. Voluntourism and Language Learning/Teaching. Palgrave Advances in Language and Linguistics Teaching English as a second (TESL) or foreign language (TEFL) and teaching English to speakers of other languages (TESOL) are terms that refer to teaching English to students whose first language is not English

Children who learn more than one language from birth or at a very young age are considered bilingual or multilingual. These children can be said to have... A speaker's dominant language, which is the language a speaker uses most or is most comfortable with, is not necessarily the speaker's first language. For example, the Canadian census defines first language for its purposes as "What is the language that this person first learned at home in childhood and still understands?", recognizing that for some, the earliest language may be lost, a process known as language attrition. This can happen when young children start school or move to a new language environment.

Linguistics is the scientific study of language. Someone who engages in this study is called a linguist. Linguistics can be theoretical or applied.

Applied linguistics Some of the academic fields related to applied linguistics are education, psychology, communication research, information science, natural language processing, anthropology, and sociology. Foreign language A second language refers to a language that plays a significant role in the region where the speaker lives, whether for communication, education, business, or governance. Consequently, a second language is not necessarily a foreign language. A foreign language might be learned A foreign language is a language that is not an official language of, nor typically spoken in, a specific country. A foreign language might be learned as a second language; however, there is a distinction between the two terms. Native speakers from that country usually need to acquire it through conscious learning, such as through language lessons at school, self-teaching, or attending language courses. through conscious learning, such as through language lessons at school, self-teaching, or attending language courses 8c2bcf8507
