After nearly a decade of ruling as prince regent, George IV acceded to the throne in 1820. His coronation on 19 July 1821 was celebrated by splendid pageantry, much of it invented for the occasion. He was obese and was widely unpopular, with many offended by his treatment of his wife, Caroline of Brunswick. He had also been struggling to manipulate the government, which was seen as a corrupt oligarchy by Radicals whose increasing unrest following the revolutions which shook America

International Relations, Feng Zhongping, said China-United Kingdom relations were warming rapidly. In March 2015, the United Kingdom joined the Asian Infrastructure Investment Bank. In September, Chancellor of the Exchequer George Osborne visited China. Feng said this visit would bring an improvement in Anglo-Chinese relations.

f872b8d42c The increasingly warm relationship has led some political analysts to describe it as a "special relationship". An article by CNN analyst Katie Hunt posits that a key reason for the increase in relations is due in part to Britain's avoidance of raising sensitive political issues such as the Chinese claims in the South China Sea, although she noted that issues such as the Tibetan independence... f872b8d42c The four-day visit is said to be one of the most important foreign trips of the Queen's reign. f872b8d42c
