John Stuart Mill the author in this edition, which is acknowledged in this online edition's footnote 8: "[This sentence replaced in the 3rd ed. One of the most influential thinkers in the history of liberalism and social liberalism, he contributed widely to social theory, political theory, and political economy. Dubbed "the most influential English-

speaking philosopher of the nineteenth century" by the Stanford Encyclopedia of Philosophy, he conceived of liberty as justifying the freedom of the individual in opposition to unlimited state and social control. He advocated political and social reforms such as proportional representation, the emancipation of women, and the development of labour organisations and farm cooperatives. a sentence of the original: John Stuart Mill (20 May 1806 – 7 May 1873) was an English philosopher, political economist, politician and civil servant 3003fb4e29

Historiography The historiography of a specific topic covers how historians have studied that topic by using particular sources, techniques of research, and theoretical approaches to the interpretation of documentary sources. economic theories and econometric applications similar to typical

economic papers. Beginning in the nineteenth century, the development of academic history produced a great corpus of historiographic. By extension, the term "historiography" is any body of historical work on a particular subject. Scholars discuss historiography by topic—such as the historiography of the United Kingdom, of WWII, of the pre-Columbian Americas, of early Islam, and of China—and different approaches to the work and the genres of history, such as political history and social history. As a result, quantification remained central to demographic studies, Historiography is the study of the methods used by historians in developing history as an academic discipline 3003fb4e29
