

Answer Key For Guided Activity 29 3

Diving activities People may dive for various reasons, both personal and professional. Diving activities are the things people do while diving underwater. Several underwater sports are available for exercise and competition. Recreational diving is purely for enjoyment and has several specialisations and technical disciplines to provide more scope for varied activities for which specialist training can be offered, such as cave diving, wreck diving, ice diving and deep diving. People may dive for various reasons, both personal and professional. While a newly qualified recreational diver may dive purely for the experience of diving, most divers have some additional reason for being underwater. Diving activities Diving activities are the things people do while diving underwater 869d735ca5
