You can use the list to generate your own lists in whatever language you're learning and to test yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource. A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself 01d2bd3791

Art Nouveau L'Art appliqué: Le Style moderne, revue internationale, Éditeur: H. It was often inspired by natural forms such

as the sinuous curves of plants and flowers. Other characteristics of Art Nouveau were a sense of dynamism and movement, often given by asymmetry or whiplash lines, and the use of modern materials, particularly iron, glass, ceramics and later concrete, to create unusual forms and larger open spaces. 'New Art'), Jugendstil and Sezessionstil in German, is an international style of art, architecture, and applied art, especially the decorative arts. University of California Press.
