Old English literature Adherence to the grammatical rules of Old English is largely inconsistent in 12th-century work, and by the 13th century the grammar and syntax of Old English had almost completely deteriorated, giving way to the much larger Middle English corpus of literature. Even though all extant Old English poetry is written and literate, many scholars propose that Old English poetry was an oral craft that was performed by Old English literature refers to poetry (alliterative verse) and prose written in Old English in early medieval England, from the 7th century to the decades after the Norman Conquest of 1066, a period often termed Anglo-Saxon England. Poetry written in the mid 12th century represents some of the latest post-Norman examples of Old English. The 7th-century work Cædmon's Hymn is often considered as the oldest surviving poem in English, as it appears in an 8th-century copy of Bede's text, the Ecclesiastical History of the English People

Blizzard started work on the game shortly after Warcraft II, another real-time strategy game, was released in 1995. The first incarnation debuted at the 1996 Electronic Entertainment Expo, where it was unfavorably compared to Warcraft II. As a result, the project was entirely overhauled before being showcased to the public in early 1997, at which time it received a far more positive response. The game's multiplayer is particularly popular in... 81d75356af

Characters of the StarCraft series Underwood, Peter; Roper, Bill; Metzen, Chris (1998) Major and recurring characters from the military science fiction series StarCraft are listed below, organised by respective species and most commonly affiliated faction within the fictional universe. The story of the StarCraft series revolves around interstellar affairs in a distant sector of the galaxy, where three species are vying for supremacy: the Terrans, a highly factionalised future version of humanity; the Protoss, a theocratic race of vast psionic ability; and the Zerg, an insectoid species commanded by a hive mind persona. The latter two of these species were genetically engineered by the Xel'Naga, a fourth species believed extinct. StarCraft (manual).
