List of match-fixing incidents The reason for fixing a match includes ensuring a certain team advances or gambling. This article is a list of match fixing incidents and of matches that are widely suspected of having been fixed. investigations showed that the gang had been responsible for previously unsuspected "floodlight failures" at West Ham's ground in November 1997, and again Match fixing is when the outcome of a match in organized sports has been manipulated. The Search for Kennedy's PT 109 83046997d1 The Secret (2006 film) 83046997d1 The terms which are used below to subsume various periods and variations of film noir are not definitive and are meant as a navigational aid rather than as critical argument. Because the 1940s and 1950s are universally regarded as the "classic period" of American film noir, films released prior to 1940 are listed under the caption "Precursors / early noir-like films". Films released after 1959 should generally only be listed in the list of neo-noir titles. 83046997d1 The Search 83046997d1 The Secret Life of Walter Mitty (1947 film) 83046997d1 The Second Jungle Book 83046997d1 Per my previous comments I fully expect to be blocked in about ten minutes, so I'm putting this here now. I'd ask that when I am, Tony Sidaway also be blocked. Jame Retief "Clear as Mud" (aka "Grime and Punishment") Jame Retief is the main character in a series of satirical science fiction stories by Keith Laumer. Sulinoreans are fading away and the Groaci are moving in, until Retief finds unsuspected allies in the Forbidden City. The stories were written over a span of thirty years beginning in the early 1960s, without much regard for chronology or any particular scheme 83046997d1

The Sea Shall Not Have Them 83046997d1 Detailing the travails of Jame Retief in the Corps Diplomatique Terrestrienne (CDT), the stories have a base in Laumer's experiences in the United States Foreign Service, notably his time as vice consul in Burma in the 1950s. Reorganizations in the Foreign Service both before and after World War II were a source of considerable conflict at the time, as the diplomatic "old guard" were confronted with a new world situation and a new generation of diplomats, men like Laumer, who took a more pragmatic approach to the service. This conflict undoubtedly informs the Retief stories, in which stubborn and often ignorant superiors mired in bureaucracy cause him endless difficulties in the carrying out of his duties. 83046997d1 The Secret Six 83046997d1 The Scribe 83046997d1 The Secret Life of Walter Mitty (2009 film) 83046997d1 The Search for John Gissing 83046997d1 The Sea Inside 83046997d1 The Sea Chase 83046997d1 The Secret Adventures of Tom Thumb 83046997d1 The Secret Life of Words 83046997d1 Retief's physical appearance is rarely described and then only in... 83046997d1 The Search for One-eye Jimmy 83046997d1 The Screaming Skull 83046997d1
