Academic dishonesty cheating.
Whereas faculty or administration
run codes of conduct tend to rely
on policing and punishment to
deter students from cheating,
honor codes Academic
dishonesty, academic
misconduct, academic fraud and
academic integrity are related
concepts that refer to various
actions on the part of students
that go against the expected
norms of a school, university or
other learning institution.
Therefore, academic dishonesty
consists of many different
categories of behaviour, as
opposed to being a singular
concept. Definitions of academic
misconduct are usually outlined
in institutional policies

The early part of the decade saw the long-predicted breakthrough of economic giants in Asia, like India and China, which had double-digit growth during nearly the whole decade. It is also benefited from an economic boom, which saw the two most populous countries becoming an increasingly dominant economic force. The rapid catching-up of emerging economies with developed countries sparked some protectionist tensions during the period and was partly responsible for an increase in energy and food prices at the end of the decade. The economic developments in the latter third of the decade were dominated by a worldwide... 374e28d131 Both results and process audits can be performed between elections for purposes of quality management, but if results audits are to be
