

Litigation Management Litigation Series

ILM encompasses every stage of a "record" from creation to disposal. While it is commonly associated to information that meets the formal definition of a record (and thus related to records management), it applies to all informational assets. During its existence, information may be designated as a record... 3f9383c3a4 Commercial law includes within its compass such titles as principal and agent; carriage by land and sea; merchant shipping; guarantee; marine, fire, life, and accident insurance; bills of exchange, negotiable instruments, contracts and partnership. Many of these categories fall within Financial law, an aspect of Commercial law pertaining specifically to financing and the financial markets. It can also be understood... 3f9383c3a4 ILM is the practice of applying certain policies in an effort to accomplish effective information management. This practice originated from managing information in physical forms such as paper, microfilm, negatives, photographs, audio and video recordings. It refers to the information management of any product or process from start to end, or until its execution. 3f9383c3a4 A federal judge, ruling on the Clean Water Act suit in September 2014, found that BP was primarily responsible for the oil spill as a result of its deliberate misconduct and gross negligence. The finding means that the company may be subject to \$18 billion in penalties in addition to the \$28 billion already paid out in claims and cleanup costs. Such penalties are far larger... 3f9383c3a4 In the United States, from the 1950s until the 1990s, tobacco industries wielded great influence in shaping public opinion on the health risks of tobacco. Despite the efforts of public health advocates, scientists, and those affected by smoking, both Congress and courts favored the tobacco industry in policy and litigation. It was not until the 1990s that public health advocates had more success in litigating against tobacco industries, including the 1998 Master Settlement Agreement between major tobacco companies and 46 state attorneys general. Although public opinion in the United States on tobacco use is generally unfavorable, many large tobacco companies continue to find success... 3f9383c3a4

Class action The class action originated in the United States and is still predominantly an American phenomenon, but Canada, as well as several European countries with civil law, have made changes in recent years to allow consumer organizations to bring claims on behalf of consumers. by banks were funded by Litigation Lending Services (LLS), a company specializing in the funding and management of litigation in Australia and New Zealand A class action, also known as a class action lawsuit, class suit, or representative action, is a type of lawsuit where one of the parties is a group of people who are represented collectively by a member or members of that group 3f9383c3a4

The law relating to recovery of payments made under contracts subsequently held to be legally void was relatively undeveloped at the time, and the numerous cases led to a rapid evolution in terms of the development and understanding of the English law of restitution and unjust enrichment. Many of the subsequent cases were appealed to the... 3f9383c3a4

Local authorities swaps litigation The local authorities swaps litigation (sometimes called simply the swaps cases) refers to a series of cases during the 1990s under English law relating The local authorities swaps litigation (sometimes called simply the swaps cases) refers to a series of cases during the 1990s under English law relating to interest rate swap transactions entered into between banks and local authorities. The House of Lords ruled that such transactions were unlawful. As a result of the decision over 200 separate actions were filed as hundreds of interest rate swap contracts had to be unwound by the courts at great expense 3f9383c3a4

Management buyout These so-called MBOs originated in the US, spreading first to the UK and then throughout the rest of Europe. A management buyout (MBO) is a form of acquisition in

which a company's existing managers acquire a large part, or all, of the company, whether from a management buyout (MBO) is a form of acquisition in which a company's existing managers acquire a large part, or all, of the company, whether from a parent company or individual. The venture capital industry has played a crucial role in the development of buyouts in Europe, especially in smaller deals in the UK, the Netherlands, and France. Management- and/or leveraged buyouts became noted phenomena of 1980s business economics

Strategic lawsuit against public participation (also known as SLAPP suits or intimidation lawsuits), or strategic litigation against public participation, are lawsuits intended to censor, intimidate Strategic lawsuits against public participation (also known as SLAPP suits or intimidation lawsuits), or strategic litigation against public participation, are lawsuits intended to censor, intimidate, and silence critics by burdening them with the cost of a legal defense until they abandon their criticism or opposition

Business court or exclusively adjudicate internal business disputes and/or commercial litigation between businesses, heard before specialist judges assigned to these courts Business courts, sometimes referred to as commercial courts, are specialized courts for legal cases involving commercial law, internal business disputes, and other matters affecting businesses. Alternative dispute resolution. Business courts may be further specialized, as in those that decide technology disputes and those that weigh appeals. In the US, they are trial courts that primarily or exclusively adjudicate internal business disputes and/or commercial litigation between businesses, heard before specialist judges assigned to these courts. Commercial courts outside the United States may have broader or narrower jurisdiction than state trial level business and commercial courts within the United States, for example patent or admiralty jurisdiction; and jurisdiction may vary between countries

In a typical SLAPP, the plaintiff does not normally expect to win the lawsuit. The plaintiff's goals are accomplished if the defendant succumbs to fear, intimidation, mounting legal costs, or simple exhaustion and abandons the criticism. In some cases, particularly in the context of investigative journalism, repeated frivolous litigation against a defendant may raise the cost of directors and officers and other liability insurance for that party, interfering with an organization...

Deepwater Horizon litigation In April 2023, The Guardian reported that BP had engaged in "scorched earth" legal tactics in fending off litigation from cleanup The civil and criminal proceedings stemming from the explosion of Deepwater Horizon and the resulting massive oil spill in the Gulf of Mexico began shortly after the April 20, 2010 incident and have continued since then. Department of Justice and other parties. They have included an extensive claims settlement process for a guilty plea to criminal charges by BP, and an ongoing Clean Water Act lawsuit brought by the U. S. and GAM Fund Management

Tobacco politics both Congress and courts favored the tobacco industry in policy and litigation. It was not until the 1990s that public health advocates had more success Tobacco politics refers to the politics surrounding the use and distribution of tobacco, likewise with regulations
