Wikipedia:Language learning centre/Word list database databases databale data collection data processing data processor data protection data transmission date date (fruit) dated dateline date of birth Drawing up a comprehensive list of words in English is important as a reference when learning a language as it will show the equivalent words you need to learn in the other language to achieve fluency. A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. You can use the list to generate your own lists in whatever language you're learning and to test yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource 0ef8a373f9
