Christianity and homosexuality Queer Christianities: Lived Religion Christianity developed during the 1st century AD as a Jewish Christian sect and, as such, many of its views were rooted in Jewish teaching. Was "Queer"; Rethinking Early Christianity". The mainstream view within Christianity is that the Jewish scriptures within what became known as the Old Testament, as well as passages within what became known as the New Testament, both make clear that same-sex sexual behaviour is sinful – an interpretation supported by the wording of certain translations of the Bible. As Christianity established itself as a separate religion, with its own scriptures, some views moved away from the Jewish roots while others remained firmly grounded in Jewish tradition. ; Pettinger, Michael F.). ; Larrimore, Mark (eds.
