Angel is a fictional representation of... 0fae10a468 It tells the life story of Angelica ("Angel") Devereil from her adolescence and first attempts at writing, through the course of her career as a successful writer of sensational romances, into her decline, old age and death. Although she finds fame and wealth and marries the love of her life, Angel is condemned to a life of isolation and disappointment: critics regard her work as absurd and her closest relationships—with her publisher, her husband, and her sister-in-law—are doomed by the inability of others to conform to her unrealistic view of life. Although Angel is in the main portrayed as a grotesque eccentric, she is frequently made to seem pathetic, if not tragic. 0fae10a468
