Her stereotypical image, then, is of a seductive, megalomaniacal, power-hungry sorceress who wishes to rule Camelot and overthrow King Arthur, and is a fierce rival of the mage Merlin. Contemporary interpretations of the Arthurian myth sometimes assign to Morgana the role of seducing Arthur... 0007a009f8 Morgan's explanation illustrates the supposed fallacy in anthropomorphic approaches to animal behaviour. He believed that people should only equate the actions of animals to human states, such as emotions, intents, or conscious awareness, if a less advanced description of the behaviour cannot... 0007a009f8 The college's motto is the same motto as that of the Order of the Garter. Translated from Old French it meant "Shame be to him who thinks evil of it". 0007a009f8 They carry out psychological testing, psychoeducational assessment, intervention, prevention,

counseling, and consultation in the ethical, legal, and administrative codes of their profession. In both the novels and the first television series, Dexter is a highly intelligent forensic blood spatter analyst who works for the fictional Miami-Metro Police Department. In his spare time, he is a vigilante serial killer who targets other murderers who have evaded the justice system. Dexter follows a code of ethics taught to him in childhood by his adoptive father, Harry, which he refers to as "The Code" or "The Code of Harry" and which hinges on two principles: he can only kill people after finding conclusive evidence...
