In December 2015, Citroën, Peugeot and Toyota unveiled their new generation of these... All three models were facelifted in March 2004 before being replaced by new, second-generation models in 2007. The redesigned models again shared the same design and engineering, with subtle trim changes between each brand.

The second generation received a small facelift in February 2012 and from July 2013, Toyota began sales of a rebadged version called the Toyota Proace. 31a67ac184
