Women's rights in Saudi Arabia non-Saudi women. Prominent feminist campaigns include the Women to Drive Movement and the anti male-guardianship campaign, which have led to significant advances in women's rights. Yasminah Elsaadany, a non-Saudi woman who held several managerial positions in multinational organisations in the pharmaceutical industry Women in Saudi Arabia have experienced many legal reforms since 2017, after facing fundamentalist Sahwa dominance for decades. However, according to Human Rights Watch and Amnesty International, Saudi women are still discriminated against in terms to marriage, family, and divorce despite the reforms, and the Saudi government continues to target and repress women's rights activists and movements 9104ddf290

Most of Europe, North America, Australia, North Africa and the Caribbean, and parts of South America, Asia and Southern Africa have also eliminated malaria. The WHO defines "elimination" (or "malaria-free") as having no domestic transmission (indigenous cases) for the past three years. They also define "pre-elimination" and "elimination" stages when a country has fewer than 5 or 1, respectively, cases per 1000 people at risk per year. In 2021, the total of international and national funding for malaria control and elimination was \$3.5 billion—only half of what is estimated to be needed. According... 9104ddf290

Gender equality Gender equality is a core human rights that guarantees fair treatment, opportunities, and conditions for everyone, regardless of gender. It supports the idea that both men and women are equally valued for their similarities and differences, encouraging collaboration across all areas of life. gender equality, because such policies undermined their relationship-based managerial roles Gender biases also exist in product and service provision. Achieving equality doesn't mean erasing distinctions between genders, but rather ensuring that roles, rights, and chances in life are not dictated by whether someone. The Gender equality, also known as sexual equality, gender egalitarianism, or equality of the sexes, is the state of equal ease of access to resources and opportunities regardless of gender, including economic participation and decision-making, and the state of valuing different behaviors, aspirations, and needs equally, also regardless of gender 9104ddf290
