Age of Discovery Lunde, London University’s School of Oriental and African Studies, in Saudi Aramco World – July/August 2005 Volume 56, Number 4, Diffie 1977, pp. The extensive overseas exploration, particularly the opening of maritime routes to the East Indies and European colonization of the Americas by the Spanish and Portuguese, later joined by the English, French and Dutch, spurred international global trade. 456–62 The Age of Discovery (c. The interconnected global economy of the. 1418 – c. 1620), also known as the Age of Exploration, was part of the early modern period and overlapped with the Age of Sail. It was a period from approximately the 15th to the 17th century, during which seafarers from European countries explored, colonized, and conquered regions across the globe. The Age of Discovery was a transformative period when previously isolated parts of the world became connected to form the world-system, and laid the groundwork for globalization 2785c5a22e

There is evidence of human activity in Transjordan as early as the Paleolithic period. The area was settled by nomadic tribes in the Bronze Age, which consolidated in small kingdoms during the Iron Age. In the classic period, Transjordan came under Greek and later Roman influence. Under the Romans and the Byzantines, Transjordan was home to the Decapolis in the north, with much of the region being designated as Byzantine Arabia. Classical kingdoms located in the region of Transjordan, such as the Roman-era Nabatean kingdom, which had its capital at Petra, left particularly... 2785c5a22e
