In a 2013 interview, composer, Edward Douglas described the soundtrack: (Director) Gary Jones wanted the film to have a feel similar to classic monster movies like King Kong. I found myself trying to channel my inner Max Steiner and Bernard Herrmann, in an effort to achieve that big, dramatic, classical sound. The monster in the film is American folklore legend, Paul Bunyan, so it gave me the

opportunity to work with some 19th century American instrumentation as well. I think the result is a soundtrack that will sound both familiar and at times very different from what Midnight Syndicate has done to this point. 384b5a71b6 Bunyan is featured in the 1958 Disney animated short Paul Bunyan, as well as Disney's 1995 film Tall Tale: The Unbelievable Adventures of Pecos Bill. 384b5a71b6 The sculpture was originally prominently placed at the intersection of North Interstate Avenue (then U.S. Route 99) and North Argyle Street, and now stands at the corner of North Interstate and North Denver, 59 feet south of its original location.
