Libraries and the LGBTQ community Studies by Carmichael and Greenblatt have emphasized In the post-Stonewall era, the role of libraries in providing information and services to LGBTQ individuals has been a topic of discussion among library professionals. Libraries can often play an important role for LGBTQ individuals looking to find information about coming out, health, and family topics, as well as leisure reading. librarians often do not answer their questions related to LGBTQ topics in a sensitive or welcoming manner. In the past 50 years, advocate organizations for LGBTQ content in libraries have emerged, and numerous theorists have discussed various aspects of LGBTQ library service including privacy concerns, programming, collection development considerations and librarian/staff education needs, as well as special services for juvenile and teen patrons
