All four musicians had long been admirers of each other's
work. Cash, who got his start at Sun Records in the mid-fifties,
shared an apartment with Jennings between marriages in the
late sixties, a time when both Jennings and Nelson were
growing weary of Nashville's stale recording practices. When
Kristofferson emerged as a new voice for progressive country
songwriting around this time, all three covered his songs, with
Cash's version of "Sunday Morning Coming Down" becoming a
smash, and heralded the younger musician as a unique talent.
Jennings, Nelson, and Kristofferson would go on to enjoy
immense success as part of the Outlaw movement in the
seventies, with Waylon and Willie recording several albums
and embarking on lucrative tours. By the mid-eighties, Nelson
remained the most relevant on the charts while the careers of
the other three had lulled somewhat. As Nelson biographer Joe
Nick Patoski puts it,... 8995d66093 Highwayman,
