As in other miniature wargames, players enact battles using miniature models of warriors and fighting vehicles. The playing area is a tabletop model of a battlefield, comprising models of buildings, hills, trees, and other terrain features. Each player takes turns moving their model warriors around the battlefield and fighting their opponent's warriors. These fights are resolved using dice and simple arithmetic. 71fc0a93f4

Glue dots Glue dots leave much less mess, residue, and odor which help present a product in the best way, whilst increasing productivity and reducing costs.
