Modern typography This amalgam consists of the foundations and overall notions of Design Concept, Typeface, Objective, Model of Vision, and its significance among readers. Heller Modern Typography is a 1920s principle that expresses a reaction against what its proponents perceived as a decadence of typography and design emerging from the late 19th century. While it is it is mostly associated with the works of Jan Tschichold and Bauhaus typographers Herbert Bayer, László Moholy-Nagy, El Lissitzky and others – it is also encountered through word documents, maps, labels, and other forms related to digital use and is readable across different media. mechanical Reproduction, essay. History of Wicca Gardner's form of Wicca, the Gardnerian tradition, was spread by both him and his followers like the High Priestesses Doreen Valiente, Patricia Crowther and Eleanor Bone into other parts of the British Isles, and also into other, predominantly English-speaking, countries. Wicca originated in the early 20th century, when it developed amongst secretive covens in England who were basing their religious beliefs and practices upon what they read of the historical witch-cult in the works of such writers as Margaret Murray. Valiente's influence The history of Wicca documents the rise of the Neopagan religion of Wicca and related witchcraft-based Neopagan religions. Around the same time, Gardner composed the coven's Book of Shadows, a workbook of

rituals, although he claimed it was of ancient origins. It was subsequently founded in the 1950s by Gardner, who claimed to have been initiated into the Craft – as Wicca is often known – by the New Forest coven in 1939 32ad1bc161
