

The Sacred Blacksmith Volume 4

The community of Sacred Heart revolved around the Sacred Heart Mission. During the early 20th century, many of its functions moved to other locations. High school and college education for boys moved in 1915 to Shawnee, to the facility that eventually became St. Gregory's University. The post office was closed in 1954. The mission site is located nine miles east of US 177 (Asher) on SH 39, then one mile north on Sacred Heart Road. The community is now considered a ghost town. 902032deb5
